BEACH CLEAN-UP

Where: Meet at Front Parking Lot, in front of office to take the bus

   We are going to MAIN LIFEGUARD Tower in HB and cleaning up near there

When: Thursday, November 30th from 1:20-3:30 p.m. Forms due Nov. 16th to Mrs. Mannarelli

Departure: We will leave Dwyer/Sowers at 1:45 on a school bus

Pick-up: Parent/Guardian needs to pick up student at 3:30 p.m. in front of lifeguard tower 1

What to bring: beach towel to sit on, sandals/comfy beach shoes, sunscreen.

Optional: football, baseball glove & ball, smash ball, beach toys, etc…. (no swim suits)

What will be supplied? Snacks, shirts, and wristbands

What are we doing this for? We would like to create good citizens by helping to clean up our beaches (our backyard) one cigarette butt at a time. Students will be discussing negative effects of smoking on themselves and others. We will also be educating the students on how pollution/trash affects our oceans, marine life, and most importantly, us. If any students would like to create a presentation for the clean up, an extra hour of volunteer time will be awarded.

We only have 60 spots available. First come, first served!

To ensure you are registered to go, please fill out FIELD TRIP FORM from front office!

**If you have a D or F or an N or U on your progress report, you are NOT eligible to go.
